halves things. It's a cut in the centre. Prices sometimes get cut that way, and when they do bargain chips go flying in all directions. Something of this sort has just happened in our stock of . . . . .

#### WINTER GOODS

Figures have suffered heavily and there's any quantity of bargain chips awaiting wide awake buyers. When you see chips like ours pick 'em up. First comers take the prizes. Those who come later only take what's left. There's much to be had but we recommend prompt action. There's no time to be lost when these chances are in sight.

We do not want to keep one dollar's worth of Winter Goods over and have made prices to sell them.
